TRAIL KING GRAIN HOPPER

STANDARD FEATURES

ALUMINUM CORNERS

Standard rounded aluminum corners on the front and back. Optional stainless steel, white or inserts.

SAFETY FEATURES

Air and electrical accessed from outside of trailer allowing easier maintenance.

AIR RIDE SUSPENSION

The air suspension with gauge makes for a more comfortable ride and can improve control.

OPTIONAL ELECTRIC TARP

Supplied with customer installed cab control components or Shurco remote. The tarp provides additional control and protection.

2 SPEED LANDING GEAR

Capable of handling 55,000 lbs, for optimal performance.

LADDERS & CATWALKS

Perform product inspections with ease as you access front and rear ladders. Add the catwalk feature as an option for further access.

MAXIMUM LOAD HAULING LIGHTER THAN EVER.

Trail King's durable Grain Hopper trailer has a composite smooth panel construction. It features an aerodynamic design for easy pulling and maximum load hauling capabilities. The composite design and one-piece molded lower hoppers provide an incredibly fast clean-out that is lighter than ever, allowing you to haul more bushels.

Popular Options

- Polished corners or match side color
- Electric tarp system with remote
- White or black lower hopper color
- Additional light packages
- Aluminum Wheels
- Sight Windows
- Catwalks

NEW HOPPER DESIGN

Durable one-piece molded lower hopper design for smooth, quick clean-out with 22.5" hopper ground clearance with 11R22.5 tires.

COMPOSITE PANELS

Single panel composite wall construction provides a smooth surface for incredibly fast clean-out. The impact resistant material ensures durability and long-lasting strength.

CORROSION PROTECTION

The high-tensile steel subframe and upper coupler is painted with zinc-rich primer to prevent corrosion and extend the service life of your trailer. The design is lighter than aluminum.

SIGHT WINDOWS

Increased size for superior interior visibility while monitoring the hoppers. Available in high or low positions.

STRONG & FLEXIBLE

FAST, RELIABLE CLEAN-OUT
